

Jim Beam Apple Bourbon Whiskey

Apple and Jim Beam® have come together to make history with the perfect balance of premium apple liqueur and bourbon, resulting in rich American heritage with a light, juicy twist. Surprisingly smooth and deliciously different, this is succulent without overpowering, retaining rich bourbon undertones. Enjoy Jim Beam's newest family member straight, on the rocks or with club soda and a lemon wedge. After seven generations and 30 family members of master distillers, the Jim Beam® family tradition continues today. In 2005, Frederick Booker Noe III, the great-grandson of Jim Beam, filled the 10 millionth barrel of Jim Beam, keeping the tradition of Jacob Beam alive for the next generation of bourbon drinkers.
