

Jim Beam Black Bourbon Whiskey

Jim Beam Black® is a premium bourbon with a more flavorful character, made to be sipped and savored. Aged years longer than original Jim Beam®, Jim Beam Black® has full-bodied flavor with smooth caramel and warm oak notes. This extra-aged bourbon has a balanced, rich and flavorful character with a deep mix of oak, cinnamon and vanilla aromas. On the rocks or neat, this is a bourbon to savor on its own. Jim Beam's extra aging process creates an elegant, smooth, and refined whiskey that pleases with every sip. After seven generations and 30 family members of master distillers, the Jim Beam family tradition continues today.
